The Assumption of the Blessed Virgin Mary celebrates her being assumed – taken up body and soul – into heaven at the end of her earthly life. It began as a feast day in the Eastern Church after the Council of Ephesus (431) proclaimed Mary the Mother of God. By the 6<sup>th</sup> century, the feast celebrated Mary's Dormition, her "falling asleep," meaning her death; there are several ancient icons of the Dormition. The Western Church began to celebrate this feast around 650.
