This Sunday marks the beginning of a new liturgical year. Advent comes from the Latin word *adventus*, which means “coming.” Jesus is coming and Advent helps us to prepare for His arrival. The Catechism of the Catholic Church states, “When the Church celebrates the liturgy of Advent each year, she makes present the ancient expectancy of the Messiah, for by sharing in the long preparation for the Savior’s first coming, the faithful renew their ardent desire for his second coming” (524). This feeling of expectation can also be seen today in our longing for a world of justice and peace. This will only be realized completely when Christ comes again. May the four weeks of Advent be a time of spiritual renewal as we prepare to receive the light of the world. *O come, O come, Emmanuel!*

*Through you, O Mary, blessed finder of grace, may we have access to your Son, that through you we may be received by him who through you was given to us.  
 May your integrity and purity excuse before him the stain of our corruption; may our humility, so pleasing to God, obtain from him the pardon of our vanity.  
 May your abundant charity cover the multitude of our iniquities, and your glorious fruitfulness supply our indigence of merits.  
 Our Lady, our Mediatrix, our Advocate, reconcile us to your Son, commend us to your Son, present us to your Son.  
 By the grace you have found, by the prerogative you have merited, by the Mercy you have brought forth, obtain, O blessed one, that he who vouchsafed to become partaker of our infirmity and misery, may through your intercession, make us*
