WORLD DAY OF PEACE – January 1

The World Day of Peace was established by Pope Paul VI in 1968 and is celebrated each year. He asked that “every year, this commemoration be repeated as a hope and as a promise, at the beginning of the calendar which measures and outlines the path of human life in time, that Peace with its just beneficent equilibrium may dominate the development of events to come.”

*Today the Magi gaze in deep wonder at what they see:
heaven on earth, earth in heaven, man in God, God in
man, one whom the whole universe cannot contain now
enclosed in a tiny body.*

*As they look, they believe and do not question, as their
symbolic gifts bear witness: incense for God, gold for a
king, myrrh for one who is to die.*

— Peter Chrysologus
